

Empower the World's Leading Professionals to Make Smarter Decisions

Join GLG Strategic Solutions and share your expertise

As an independent consultant with GLG Strategic Solutions, you'll work closely with us to solve challenging business questions from niche projects to large growth strategies for top clients, including Fortune 500 companies in every sector.

How GLG boosts your portfolio

- ✓ Maintain your flexibility by working with us on mostly remote projects when you choose to
- ✓ We evaluate client opportunities so you don't have to
- ✓ We help you manage the scope, execution, and client touch-points on each project
- ✓ You'll have access to GLG resources: 800,000+ subject matter experts, best-in-class survey capabilities, data and analytic vendors, and project execution tools

Working with GLG Strategic Solutions, I'm at the forefront of the newest industry trends before I can even read about them in the press.
